Case No. 2:23-cv-00115-CDS-MDC

Order Granting Defendant's Motion to
Extend Dispositive Motions Deadline

[ECF No. 76]

9
10 Defendant Bergelectric Corp. moves to extend the dispositive motions deadline (ECF
11 No. 76) in light of my order instructing defendant and plaintiff Jorge Maluf to reschedule the
12 date of Maluf's deposition for December 13, 2024, or earlier. Order, ECF No. 76. Given that the
13 only date that worked to resume Maluf's deposition was December 12, 2024, Bergelectric
14 requests an extension of the dispositive motion deadline to sixty days after Maluf's deposition,
15 making the dispositive motions deadline February 10, 2025.¹ ECF No. 77 at 3. This motion is fully
16 briefed.² Because I did not update the dispositive motions deadline in my prior order, and
17 because I find good cause, Bergelectric's motion to extend the dispositive motions deadline is
18 granted. The dispositive motions deadline is extended until February 10, 2025.

19 Conclusion

20 IT IS THEREFORE ORDERED that Bergelectric's motion to extend [ECF No. 76] is
21 GRANTED. The dispositive motions deadline is extended until February 10, 2025.

22 Dated: December 23, 2024

¹ Defendant's motion asks for the date to be "February 10, 2024" but I assume that is merely a scrivener's error so it is construed as request for February 10, 2025.
